UITNODIGING AAN HOëRSKOLE OM REKORDEKSAMENVRAESTELLE WAT DEUR DIE SUID-AFRIKAANSE KOMPREHENSIEWE ASSESSERINGSINSTITUUT (SACAI) ONTWIKKEL IS TE GEBRUIK

INVITATION TO HIGH SCHOOLS TO MAKE USE OF RECORD EXAMINATION PAPERS DEVELOPED BY THE SOUTH AFRICAN COMPREHENSIVE ASSESSMENT INSTITUTE (SACAI)

Die Suid-Afrikaanse Komprehensiewe Assesserings-instituut (SACAI) is 'n onafhanklike assesserings-liggaam wat in 2012 deur die Suid-Afrikaanse Stigting vir Onderwys en Opleiding (SASOO) as 'n Artikel 21 maatskappy geregistreer is. SACAI is aan die einde van 2012 na voltooiing van 'n suksesvolle SBA-program, wat 'n rekordeksamen op nasionale vlak ingesluit het, deur Umalusi voorlopig geakkrediteer om die Nasionale Seniorsertifikaat (NSS) te assesseer. Die voorlopige akkreditasie het bepaal dat SACAI in 2013 weereens die SBA-program met rekordeksamen moet bestuur en in 2014 ook sy eerste eie NSS eindeksamen. Die eindeksamen het goed afgeloop en die verwagting is dat finale akkreditasie in 2015 deur Umalusi toegestaan sal word.

SACAI is reeds bekend vir die goeie gehalte en standaard van sy eksamenvraestelle en geoordeel aan inligting wat SACAI bereik, gebruik heelwat openbare en onafhanklike skole die vraestelle om hul kandidate vir die eindeksamen voor te berei.

SACAI stel elke jaar rekordeksamenvraestelle in bepaalde vakke aan instansies wat sy eksamens skryf beskikbaar. Daar is egter besluit om die vraestelle hierdie jaar ook aan openbare skole en onafhanklike skole wat nie SACAI se eindeksamen gaan skryf nie, beskikbaar te stel. Skole wat van die aanbod wil gebruik maak, sal dan die vraestelle volgens SACAI se rooster skryf. 'n Kopie van die rooster, wat ook aandui watter vraestelle beskikbaar gestel gaan word, is aangeheg. Die vraestelle sal 'n paar dae voor die dag waarop die onderskeie vraestelle geskryf word, elektronies aan die skole beskikbaar gestel word. Die skool moet dan kopieë

The South African Comprehensive Assessment Institute (SACAI) is an independent assessment body that was registered in 2012 as a Section 21 company by the South African Foundation for Education and Training (SAFFET). SACAI was provisionally accredited by Umalusi at the end of 2012 to assess the National Senior Certificate (NSC) after completion of a successful SBA-programme which included a preliminary examination on national level. The provisional accreditation required that SACAI again had to manage the SBA-programme together with a preliminary examination in 2013 as well as its first NSC examination in 2014. The final examination was conducted successfully and the expectation is that final accreditation will be granted by Umalusi in 2015.

SACAI is already known for sound quality and standards of its examinations and according to information reaching the organisation, substantial numbers of public and independent schools use its examination papers in preparation of the candidates for the final examinations.

Preliminary examination papers are made available by SACAI in specific subjects to institutions that write its examinations each year. It has been decided to also make such papers available to public and independent schools this year that do not write SACAI's final examination. Schools' that wish to take up this offer will then have to write those papers according to SACAI's examination timetable. A copy of the timetable is attached which also indicates which subject papers will be made available. The examination papers in the respective subjects will be made available to schools electronically a couple of days prior to the set dates. The schools will then have

maak. Die memorandum word direk nadat die vraestel geskryf is, elektronies na die skole gestuur. Sodanige beskikbaarstelling van die vraestelle aan skole wat nie SACAI se eindeksamen skryf nie impliseer dat SACAI se huidige stelsel van vraestelverspreiding drasties aangepas sal moet word en dat SACAI se kliënte hulle *modus operandi* ook sal moet aanpas. Die belangstelling wat openbare en onafhanklike skole toon om van die aanbod gebruik te maak sal bepaal of hierdie aanpassings vir SACAI en sy kliënte die moeite werd sal wees. Skole word dus vriendelik versoek om aangehegte vorm te voltooi en teen 13 Maart 2015 terug te stuur na info@sacai.org.za of faksnommer 012 348 0393. Indien addisionele toeligting benodig word, kan Gus de Villiers geskakel word by 012 348 4650/5650.	to make their own copies. Memoranda will be supplied for the papers electronically, directly after each paper has been written. The process of making papers available to schools that will not be writing SACAI's final examination implies that SACAI's current system of examination paper distribution will have to be drastically re-adapted and that SACAI's clients will also have to adapt their *modus operandi.* The degree of interest shown by public and independent schools to make use of this offer will determine if such adaptations are worth the effort for both SACAI and its existing clients. Schools are therefore asked to complete the attached form and return it to info@sacai.org.za or fax number 012 348 0393 by 13 March 2015. If additional information is required please contact Gus de Villiers at 012 348 4650/5650.
