SALARISAANPASSING 6,4%: TERUGBETALING

Opvoeders en staatsdienswerknemers het op Maandag 15 Junie 2015 'n inbetaling vanaf PERSAL ontvang. Hierdie bedrag is die 6,4% salarisaanpassing se terugbetaling vir April en Mei 2015 wat eensydig deur die Staat geïmplementeer is. Die aangepaste salariskerf sal aan die einde van Junie op salarisadviesstrookies reflekteer. Die terugbetaling sluit NIE die aanpassing vir die mediese subsidie in nie.

Soos berig in Nasionale Nuusbrief 28/2015 duur die dispuut oor die addisionele 0.6%, wat nie geïmplementeer is nie, steeds voort.

Die aanpassing van die behuisingstoelaag sal steeds in werking tree op 1 Julie 2015, soos uiteengesit in Nasionale Nuusbrief 23/2015.

SALARY ADJUSTMENT OF 6,4%: BACK-PAYMENT

Educators and Public Service Employees received a payment from PERSAL on Monday 15 June 2015. This amount is the back-payment for the 6.4% salary adjustment for April and May 2015 which was unilaterally implemented by the State. The adjusted salary notch will be reflected on salary advice slips at the end of June. The back-payment does not include the adjustment for the medical aid subsidy.

As reported in National Newsletter 28/2015, the dispute regarding the additional 0.6%, which was not implemented, still continues.

The adjustment of the housing allowance will be implemented from 1 July 2015, as explained in National Newsletter 23/2015.
