

IQMS: PORT ELIZABETH DISTRICT

The Port Elizabeth district office is currently busy processing the outstanding IQMS documents. The process has been delayed due to the fact that the district office did not have electricity for three weeks. Payments are being done systematically in batches, and it appears they are processing alphabetically by the school's name. We will be requesting a progress report mid-May.

IQMS: PORT ELIZABETH DISTRIK

Die Port Elizabeth distrikskantoor is tans besig om die uitstaande IQMS dokumente te verwerk. Die proses is vertraag omdat die distrikskantoor vir drie weke sonder elektrisiteit was. Die betalings word sistematies in groepe gedoen en dit wil voorkom asof dit alfabeties volgens die skole se name gedoen word. Die SAOU sal 'n vorderingsverslag in die middel van Mei aanvra.
