

## BARRIERS TO LEARNING

The SAOU recently presented Barriers to Learning workshops in East London and Port Elizabeth. The workshops focused on the various barriers that exist, concessions and effective use of the SIAS Policy (Screening, Identification, Assessment and Support) in assisting these learners. The workshop provided practical solutions to the challenges faced when dealing with barriers of learning in the classroom.

We wish the participants all the best as they apply the knowledge gained in the completion of the required task.

## LEERHINDERNISSE

Die SAOU het onlangs werksinkels oor leerhindernisse in Oos-Londen en Port Elizabeth aangebied. Die werksinkels was toegespits op verskillende hindernisse, konsessies en die effektiewe toepassing van die SIAS-beleid (Screening, Identification, Assessment and Support) om hierdie leerders te help. Die werksinkel het praktiese oplossings gebied vir die uitdagings wat leerhindernisse in die klaskamer meebring.

Ons wens almal wat die werksinkels bygewoon het, voorspoed toe in die toepassing van hul nuut verworwe kennis.

Die PowerPoint-aanbieding, asook die foto's wat tydens die werksinkels geneem is, is beskikbaar by die volgende skakels:

## WHATSAPP BROADCAST LISTS

In an effort to improve communication with our members and provide important information as soon as we receive it, the SAOU has decided to form WhatsApp Broadcast lists with school representatives.

A Broadcast List is not the same as Group Messaging. When the SAOU sends a message to the Broadcast List, the recipients will receive the message as a normal message. When they reply, it will appear as a normal message in the Chats screen of the SAOU. The reply will not be sent to other recipients in the Broadcast List.

Kindly take note that only contacts who

## WHATSAPP-UITSAAILYSTE

In 'n poging om ons kommunikasie met ons lede te verbeter en belangrike inligting dadelik aan hulle te stuur, het die SAOU besluit om WhatsApp-uitsaailyste te skep vir al die skoolvertegenwoordigers.

Hierdie uitsaailyste is nie dieselfde as groepsboodskappe nie. Wanneer die SAOU 'n boodskap na die uitsaailys stuur, sal die ontvangers dit as 'n gewone WhatsApp-boodskap ontvang. Wanneer hulle terug antwoord, sal net die SAOU dit ontvang en nie die res van die persone op die uitsaailys nie.

Let asseblief daarop dat slegs kontakte wat
