

POST PROVISIONING 2016

The final Poste Establishments have been released and schools will receive them in due course.

The SAOU considers the possibility of litigation based on the following criteria:

- Where the department's actions were irrational;
- Where some schools have been subjected to prejudice;
- Where the department fails to be transparent regarding the distribution of posts;
- Where the manner of post distribution is seen as irrational and undefinable, and might have a negative effect on the learners.

The SAOU is requesting all schools that are of the opinion that they were affected in the above-mentioned ways to assist with a survey by doing the following:

- Fax the school's Final Post Provisioning of 2015 and 2016 to the SAOU.
- Motivate in which way the school was affected in an unfair or irregular way.
- Fax all these documents to the SAOU at 0866795692.

POSTEVOORSIENING 2016

Die finale Postevoorsieningskale is pas vrygestel en skole sal dit binnekort ontvang.

Die SAOU oorweeg litigasie op grond van die volgende kriteria:

- Irrasionele optrede van die Onderwysdepartement;
- Subjektiewe bevoordeling van sekere skole;
- Nie-deursigte wyse van posverspreiding;
- Hanteringswyse van die Onderwysdepartement wat rasioneel nie verdedig kan word nie en waar die aksie 'n direkte negatiewe invloed op die leerder sal hê.

Die SAOU versoek alle skole wat van mening is dat hulle op bogenoemde wyses benadeel is om behulpsaam te wees met 'n opname deur die volgende te doen:

- Beide die skool se Finale Postevoorsieningskale vir 2015 en 2016 aan die SAOU te faks.
- Te motiveer waarom u van mening is dat die skool onregverdig of onreëlmatig benadeel is.
- Bogenoemde dokumente te faks aan die SAOU: 0866795692.
