### POD WERKSWINKEL: SIAS IMPLEMENTERING

Soos reeds kennis gegee in Noordwes NIB 12/2016 is die SIAS opleiding wat geskeduleer was vir 7 en 11 April 2016, gekanselleer. Hieronder volg die uitnodiging na die SIAS werkswinkel wat nou op **10 Mei 2016** by Laerskool Mooirivier op **Potchefstroom** aangebied word.

Die Screening, Identification, Assessment and Support (SIAS) beleid is hersien en in 2014 gepromulgeer. Hierdie beleid is van toepassing in alle skole, ongeag die tipe skool, en rig die proses van leerondersteuning aan leerders wat leerhindernisse ervaar. Die implementering van die beleid volg 'n infaseringbeginsel. Om skole goed te posisioneer ten opsigte van SIAS implementering, bied die SAOU 'n werkswinkel aan waarin die volgende aspekte aangespreek sal word:

- Proses van hulpverlening aan leerders wat leerondersteuning benodig
- Aard en vlakke van ondersteuning
- Verantwoordelikheid van onderskeie rolspelers in die SIAS proses
- Gebruik van die SNA vorms vir aansoek van konsessies
- Skoolbeleid wat deur die SIAS beleid geïmpakkeer word

Die SAOU beveel aan dat ten minste een lid van die skoolgebaseerde ondersteuningspan en een lid van die skoolbestuurspan die opleiding bywoon.

### POD WORKSHOP: SIAS IMPLEMENTATION

In North West Newsletter 12/2016 members were informed that the SIAS workshops, that were scheduled for 7 and 11 April 2016, have been cancelled. Below you will find the invitation to the SIAS workshop that will now take place on **10 May 2016** at Laerskool Mooirivier in **Potchefstroom**.

The Screening, Identification, Assessment and Support (SIAS) policy was revised and promulgated in 2014. This policy is applicable to all schools, regardless of the type of school, and guide the process of learning support to learners experiencing barriers to learning. The implementation of the policy follows a phased-in approach. To best position schools regarding SIAS implementation, the SAOU is hosting a workshop at which the following aspects will be addressed:

- The process of supporting learners who require learning support
- The nature and levels of support
- The responsibilities of various roleplayers in the SIAS process
- Utilisation of the SNA forms in the application for concessions
- School policies impacted by the SIAS policy

The SAOU recommends that at least one member of the School Based Support team as well as one member of the School Management Team attend the workshop.
