IMPLEMENTATION OF 0.3% SALARY PROGRESSION

The SAOU addressed various enquiries to the Department of Basic Education on the non-implementation of PSCBC Resolution 1 of 2018 regarding the 0.3% salary progression.

The SAOU would like to inform members that the 0.3% will be paid retrospectively from 1 July 2018, by a supplementary payment on 28 January 2019. This payment is expected to reflect in members' bank accounts on 31 January 2019.

The SAOU has already consulted with the Department of Basic Education regarding the final implementation of the outstanding 0.2% on 1 July 2019. Members will be kept informed of any developments in this regard.

IMPLEMENTERING VAN 0.3% SALARISPROGRESSIE

Die SAOU het verskeie navrae aan die Departement van Basiese Onderwys gerig oor die nie-implémentering van PSCBC Resolusie 1 van 2018 mbt die 0.3% salarisprogressie.

Dit is vir die SAOU aangenaam om lede in te lig dat die 0.3%, terugwerkend vanaf 1 Julie 2018, op 28 Januarie 2019 per supplementêre betaling aan lede betaal sal word. Die verwagting is dat hierdie betaling in lede se bankrekening sal reflekteer op 31 Januarie 2019.

Die SAOU is reeds in gesprekvoering met die Departement van Basiese Onderwys oor die finale implémentering van die uitstaande 0.2% miv 1 Julie 2019. Lede sal op hoogte gehou word van enige verwickelinge in die verband.
