### BEHUISINGSTOELAAG

Daar is baie werknemers wat nog nie die behuisingstoelaag ontvang het nie, maar die proses is nog nie afgehandel nie. Die Departement is nog steeds besig om aansoeke te verwerk en in te lees.

Daar is ook lede wat die SAOU in kennis gestel het dat hulle nou 'n behuisingstoelaag ontvang waarop hulle nie geregtig is nie. U word daarop gewys dat dit die plig van 'n werknemer is om so 'n fout aan die werkgever uit te wys. Die geld sal dan gevolglik weer verhaal word deur die werkgever. Versuim om die werkgever in kennis te stel kan lei tot dissiplinêre optrede.

Kontroleer asseblief u salarisstrookies en meld enige foute onverwyld by u distrikskantoor aan.

Wanneer u die werkgever in kennis stel van 'n fout soos hierbo genoem is dit noodsaaklik om skriftelike bewys te hou van u poging om die probleem onder hul aandag te bring.

### HOUSING ALLOWANCE

There are still many employees who have not yet received their housing allowances, but it should be noted that the process has not yet been finalised. The Department is still busy processing and capturing applications.

Additionally there have been members who informed the SAOU that they had received housing allowances even though they were not entitled to be subsidised. We would like to point out that in these situations it is the duty of the employee to bring the error under the attention of the employer. Funds paid out erroneously will have to be paid back to the employer. Omitting or refusing to notify the employer of such an erroneous payment could lead to potential disciplinary steps being taken.

Please check your payslips and refer all errors to the district office without delay.

When informing the employer of the error, be sure to keep written proof of your attempts to bring the mistake to the attention of the employer.
