SAOU WERKPLEKVERTEENWOORDIGERS SAOU WORK PLACE REPRESENTATIVES

Die SAOU gaan binnekort 'n Nuusbrief uitstuur na alle lede om hul gratis korportatiewe geskenk te kies! Daar is nog verskeie skole in Gauteng vir wie SAOU (Gauteng) nie 'n Werkplekverteenvoerder op rekord het nie.

Indien u skool/instansie nog nie 'n Werkplekverteenvoerder het nie, kontak asseblief dringend die onderstaande persoon in u distrik soos hieronder aangedui. Indien moontlik, voorsien ons van die naam van 'n personeelid wat bereid sal wees om die funksie te verrig. Die SAOU personeelid van die betrokke distrik sal daardie persoon kontak.

The SAOU will shortly send a newsletter to all members to choose their free gift! There are still several schools in Gauteng for which SAOU (Gauteng) does not have a Workplace Representative on record.

If your school/institution does not have a Workplace Representative, please urgently contact the following person in your district as indicated below. If possible, supply us with a name of a member at the school/institution who will be willing to fulfill the function. The SAOU staff member responsible for the particular district will contact the member.
