**POSTEVOORSIENING 2018**

Partye tot die PRAVO het ooreengekom dat die volgende proses gevolg sal word:

'n Spesiale vergadering sal gehou word met die Direkoraat wat verantwoordelik is vir die Postevoorsiening op Dinsdag 23 Oktober 2017 om:

1. Duidelike verskille reg te stel soos deur partye gestuur is.
2. Maniere te ondersoek om die status quo te behou vir die Onderwyser:Leerderverhouding.
3. Die begrotingsverdeling te bespreek.
4. Te kyk na die verskille in die inligting soos voorsien tydens die Onderwys Ndaba by die ELRC en die data wat in die Provinsie aangebied word.

Ons het ook ooreengekom dat skole geadviseer word om voorlopig te stop met die proses om opvoeders bo-tallig te verklaar. Dit is 'n baie traumatiese ervaring en dit sou onaanvaarbaar wees om hul op 'n later stadium dan in te lig dat daar 'n fout op die skool se postevoorsiening was.

**POST PROVISIONING 2018**

*Parties to the PELRC have agreed on the following process:*

*A special meeting will be held with the Directorate responsible for the Post Establishments on Tuesday the 23<sup>rd</sup> October 2017:*

- 1. To correct obvious discrepancies as forwarded by parties.*
- 2. Explore ways of at least retaining the Teacher:Learner ratio at status quo.*
- 3. Discuss the budget split.*
- 4. Look at the difference in Post Provisioning Data presented at the Education Ndaba at ELRC and the data presented in the Province.*

*We also agreed that it is advisable for schools not to proceed with the declaration for those teachers who would be additional to their Post Establishment. It is a very traumatic experience and it would be unacceptable to inform them later that there was a mistake on the school's establishment.*
