Kersboodskap

Die jaar 2016 is amper deel van die geskiedenis. As ons teruggink was dit 'n jaar met genoeg opwindning en heerlike belewenisse, maar net so het politieke woelinge die land aan die praat gehad. Groot kragte is aan die woel en dit kos fyn voetwerk om nie raak getrap te word nie. Die knellende droogte het ook 'n groot invloed op mens en dier in die land.

Desember is vir baie kollegas sinoniem met nasienwerk en punte verwerking. Met dit in die sak weet almal vakansie lê voor. Hierdie vakansie is egter anders, want Kersfees is deel van die vakansie feesvieringe.

Kersfees het tradisioneel 'n stukkie rustigheid en vrede wat 'n kenmerk is van dié tyd van die jaar. Dit kan ook nie anders wees nie, want die boodskap wat die engele gebring het was juis "Vrede op aarde". Ons bid vir u hierdie vrede toe – 'n vrede wat alle verstand te bowe gaan, wat alle brûe oorbrug en alle verskille kan bylê.

Mag u ook hierdie vrede van Jesus ervaar. Mag u opnuut bewus word van die groot offer wat gebring is dat ons die ewige lewe kan hê.

Geseënde Kersfees vir u en u geliefdes en voorspoed toegebied vir 2017.

Christmas message

The year 2016 is almost something of the past. When reflecting on 2016 it will be known as a year full of excitement and joyful moments but also as a year of political turbulence that had people talking. It is a time of great upheaval and discernment is needed to not be trampled in the process. The pressing drought also impacts man and beast in our country.

December is often associated with marking and the processing of marks. When these tasks are completed teachers look forward to a well-earned holiday. What makes December-holidays different is the fact that Christmas is celebrated during this holiday.

Christmas traditionally is marked by rest and peacefulness. This remains unchanged, as the message brought by the angels is exactly this, "Peace on earth, and goodwill to man". We pray that you will experience peace – a peace that surpasses all understanding; a peace that bridges all differences; a peace that resolves all conflicts.

May you also experience the peace that personifies Jesus. May you once again become aware of the great sacrifice on your behalf so that you can have eternal life.

May you and your loved ones have a blessed Christmas and a prosperous 2017.
