Instandhouding van Geboue

Die SAOU ontvang heelwat navrae in verband met die instandhouding van geboue.

Klik op die skakels om die nuutste dokumentasie vanaf die Gauteng Departement van Onderwys sowel as van die Departement van Basiese Onderwys af te laai. U word aangeraai om uself van hierdie dokumente te vergewis

Dit is belangrik om seker te maak dat onderhoud gereeld gedoen word en dat u alle probleme skriftelik hanteer en rekordeer.

Maintenance of Buildings

The SAOU has received numerous inquiries regarding the maintenance of buildings.

Click on the links to download the latest documentation from the Gauteng Department of Education, as well as the Department of Basic Education. Please avail yourself of these documents.

It is important that maintenance is done regularly and that all problems are recorded and managed in writing.
