WELCOME BACK!

WELKOM TERUG!

Success is not final,
 failure is not fatal:
 it is the courage to
 continue that counts.

The SAOU is committed to actively enhancing the professionalism and expertise of educators. The dedicated drive to empower quality teachers to improve their expertise in essential specialist subjects such as Mathematics and Science is part of the service rendered by the SAOU to teachers who wish to be on par with and stay at the cutting edge of international education developments and tendencies. To that end the SAOU created its Knowledge Builder Programme III to assist teachers in all nine provinces. Knowledge Builder 2017 held at Pearson HS, Port Elizabeth from 17 – 21 July 2017. To date, feed-back has been overwhelmingly positive with both course participants and presenters focussed on giving and receiving value.

Die SAOU spreek professionaliteit en vakkundigheid van onderwysers daadwerklik aan. Dié vakbond se betrokkenheid by en bemagtiging van kwaliteit opvoeders wat kundiges is in spesialisvakke soos Wiskunde en Wetenskap, is deel van die uitnemende diens wat die SAOU lewer. Kennisbou 2017 is tydens die tydperk 17 – 21 Julie 2017 by Pearson HS in Port Elizabeth aangebied. Terugvoer vanaf kursusgangers en aanbieders was oorweldigend positief. Die ingesteldheid deurgaans getuig van 'n gesindheid om waarde toe te voeg. Evaluering bevestig dat daar werklik interaksie was met beste praktyke wat gedeel is, kreatiwiteit wat gestimuleer is en opvoeders wat die waarde besef van 'n wyer vakinhoudperspektief as die graad wat onderrig word.
