Bemagtiging vir Opvoeders

Tema: *My Opvoeder, my Hero – Leier van Leiers*

Die studente wat in jou klas is, het die potensiaal om suksesvolle leiers te word en die vaardighede wat hulle nou leer, sal hul vermoë beïnvloed om ander in die toekoms te beïnvloed. Sommige vaardighede is slegs van toepassing op sekere ambagte, maar leierskap is iets waaruit enigiemand kan baatvind. As jy jou studente wil help om die beste leiers te word wat hulle kan wees, wonder jy waarskynlik hoe jy dit kan doen?

Jy word hartlik uitgenooi na hierdie werkswinkel waar ons idees kan deel en maniere verken om ons studente te inspireer om suksesvol in die lewe te wees.

Educator Empowerment

Theme: *My Teacher, my Hero – A Leader of Leaders*

The students who are in your class have the potential to become the leaders of tomorrow, and the skills that they learn now will impact their ability to influence others in the future. Some skills only apply to certain trades, but leadership is something from which anyone can benefit. If you would like to help your students to become the best leaders that they can be, you are probably wondering how you can do this?

Come join us in this workshop and let us share and explore ways to inspire our students to move forward successfully in life.
