**WELKOM TERUG EN
STERKTE VIR DIE DERDE
TERMYN**

**WELCOME BACK AND
GOOD LUCK FOR THE
THIRD TERM**

OPLEIDING / TRAINING

1. KENNISBOU: LAERSKOLE BEGELEIDE LEESGROEPE EN LEES: DIE INVLOED VAN GENERASIES EN SLAGGATE

Volgens die PIRLS 2016 uitslae kan 78% van graad 4-leerlinge in Suid-Afrika nie met begrip lees nie.

Suid-Afrika het laaste van die 50 deelnemende lande gekom. Aangesien hierdie kommerwekkende resultate vir alle tale in Suid-Afrika geld, moet ons alles in ons vermoë doen om leerders se leesvaardighede op te skerp. Een van die maniere waarop leerders se swak leesvaardighede opgeskerp kan word, is die instelling van 'n daaglikse leesles waartydens lees intensief onderrig word.

1. KNOWLEDGE BUILDER: PRIMARY SCHOOLS GUIDED READING GROUPS AND READING: THE INFLUENCE OF GENERATIONS AND PITFALLS

According to the PIRLS 2016 results 78% of Grade 4 pupils in South Africa cannot read with understanding.

South Africa came last of the 50 participating countries. As these alarming results apply to all languages in South Africa, we must do everything in our power to enhance learners' reading skills. One of the ways in which learners' poor reading skills can be improved, is the introduction of a daily reading lesson during which reading is taught intensively.
