## INKLUSIEWE ONDERWYS: DIE IMPLEMENTERING VAN DIE SIAS BELEID EN DIFFERENSIASIE IN DIE KLASKAMER

### INCLUSIVE EDUCATION: THE IMPLEMENTATION OF THE SIAS POLICY AND DIFFERENTIATION IN THE CLASSROOM

Differensiasie is 'n term wat ons almal al gehoor het. Maar wat is differensiasie regtig? Klasse word toenemend groter, administrasie word meer en dan verwag die Departement van Onderwys boonop dat jy gedifferensieëerde klaskamerpraktjke moet toepas!

Sluit by ons aan vir 'n opleidingsessie waar daar gekyk sal word na die praktiese implementering van SIAS, asook praktiese idees vir differensiasie in die multikulturele klaskamer.

\*\*\*\*\*

Differentiation is a term that every teacher has heard before but what does differentiation really mean? Class sizes are continuously growing, administrative tasks are piling up and then the Department of Education still expects of you to apply differentiated classroom practices!

Join us for an empowerment session where we will be sharing practical steps on how the SIAS policy should be implemented, as well as practical ideas for differentiation in the multi-cultural classroom.
