Wil jy graag meer betrokke raak by die SAOU? Indien ja, lees dan verder.

Ons benodig dringend **ENIGE SAOU lede** wat bereid sal wees om in te sit as waarnemers by die prosesse van kortlysting en onderhoude by skole.

Ons beplan om tydens kwartaal 2 intensiewe opleiding aan te bied vir diegene wat hierin belangstel. Hierdie sal waardevolle kennis gee om die proses van kortlysting en onderhoude te verstaan en hoe om die waarneming te doen. Die opleiding sal ook van waarde wees vir diegene wat vir bevorderingsposte aansoek wil doen.

Die opleiding sal gratis aangebied word.

Do you want to become more involved with the SAOU? If yes, read further.

We urgently need **ANY SAOU members** who are willing to become observers during the processes of shortlisting and interviews.

We are planning extensive training during term 2 for those members who are interested. This training will provide valuable knowledge as to the understanding of the processes of shortlisting and interviews and how to do the observation thereof. This training will also provide valuable knowledge to those who are pursuing possible promotion.

Training will be free of charge.
