THE SOUTH AFRICAN TEACHERS' UNION (SAOU) INDEPENDENT SCHOOLS INITIATIVE

KONTEMPORÊRE KLASKAMERPRAKTYK VIR ONAFHANKLIKE SKOLE

CONTEMPORARY CLASSROOM PRACTICE FOR INDEPENDENT SCHOOLS

Het ons regtig al die huidige tegnologie in die onderwys nodig? Wat het aanleiding gegee tot al hierdie eise? Moet die onderwyser se rol in die klaskamer verander?

Do we really need all the current technology hype in education? What has led to all these demands? How must the role of the teacher change?

Die bemagtigingsessie sal fokus op hoe plaaslike en internasionale konsepte die gebruik van tegnologie en nuwe metodiek in die klaskamer beïnvloed. Daar word na nuwe konsepte soos 'blended learning', 'flipped classrooms', e-leer en die eise van die sogenaamde 4de Revolusie verwys. Die fokus van die aanbieding sal daarop gemik wees om jou te help om jou en jou leerders se hulpbronne wat tans tot julle beskikking is, so te gebruik dat dit voldoen aan die eise van onderrig in die 21ste eeu.

The empowerment session will focus on exploring and defining current local and world concepts influencing the use of technology and new methodologies in the classroom. Important theories and approaches like blended learning, flipped classrooms, use of e-learning in general, visible learning and the demands of the so-called 4th Revolution will be explored in practical terms to close the gap between theory and practice. The emphasis throughout is on using what you and your learners already have and ensuring that it meets 21st century education demands.
