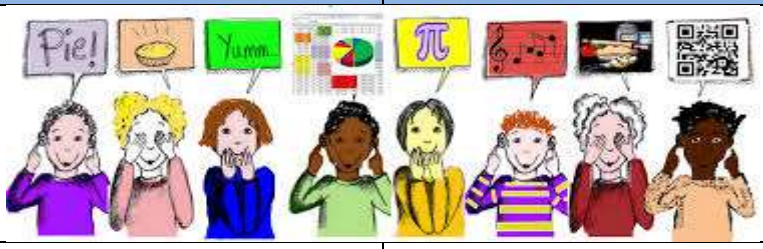
INKLUSIEWE ONDERWYS: DIFFERENSIASIE IN DIE KLASKAMER EN DIE PRAKTIESE IMPLEMENTERING VAN DIE SIAS BELEID	**INCLUSIVE EDUCATION: DIFFERENTIATION IN THE CLASSROOM AND THE PRACTICAL IMPLEMENTATION OF THE SIAS POLICY**
	


Differensiasie is 'n term wat ons almal al gehoor het. Maar wat is differensiasie regtig? Klasse word toenemend groter, administrasie word meer en dan verwag die Departement van Onderwys boonop dat jy gedifferensieerde klaskamerpraktyke moet toepas! Net soos wat elkeen 'n unieke vingerafdruk het, het elke leerder 'n individuele leerstyl. Daar is 'n groot kans dat nie al jou leerders 'n konsep op dieselfde manier snap of op dieselfde vlak van vaardigheid is nie. Hoe kan jy jou lesse aanbied om elkeen in die klas te bereik? Kom leer oor differensiasie in die klaskamer met hierdie praktiese raad en riglyne.	**Differentiation** is a term that every teacher has heard before but what does differentiation really mean? Class sizes are continuously growing, administrative tasks are piling up and then the Department of Education still expects of you to apply differentiated classroom practices! Just as everyone has a unique fingerprint, every student has an individual learning style. Chances are, not all of your learners grasp a subject in the same way or share the same level of ability. So how can you better deliver your lessons to reach everyone in class? Come and learn about differentiated instruction in the classroom with these practical tips and guidelines.

Die hooffokus van die **SIAS-beleid** is om onderrig en leerprosesse vir leerders wat leerhindernisse ervaar, te bestuur en te ondersteun. Jy het heel moontlik al van hierdie beleid gehoor, maar dit nog nie ten volle geïmplementeer nie, of jy wonder steeds oor baie aspekte van hierdie beleid. Sluit by ons aan vir 'n opleidingsessie waar daar gekyk sal word na praktiese idees vir differensiasie in die multikulturele klas-kamer, asook die praktiese implementering van SIAS.	The main focus of the **SIAS policy** is to manage and support teaching and learning processes for all learners who experience barriers to learning. A policy which you may have heard about but haven't yet explored or still have questions about. Join us for an empowerment session where we will be sharing practical ideas for differentiation in the multi-cultural classroom, as well as practical steps on how the SIAS policy should be implemented.
