KONTRAK- AANSTELLINGS

CONTRACT APPOINTMENTS

Die SAOU-kantoor ondervind jaarliks 'n probleem met kontrakaanstellings wat nie betyds deur die WKOD op die Persalstelsel gelaai is nie. Die impak hiervan is dat:

- Skole se nuwe aanstellings is nog nie afgehandel nie.
- Opvoeders se salarisse word nie aan die einde van Januarie inbetaal nie.

Ons vra lede wat hierdeur geraak word om dringend die SAOU-kantoor te kontak by saouwk@saou.co.za of **021 914 2441**.

Die WKOD het die SAOU die versekering gegee dat hulle alles in hulle vermoë doen om te verseker dat alle tydelike personeel einde Januarie 2018 betaling ontvang.

The SAOU office is aware of the problem with contract appointments not being loaded timeously by the WCED onto the Persal system. The consequences are that:

- Appointments at schools have not yet been finalised.
- Educators will not receive their salaries at the end of January.

Members who find themselves in such a position, must contact the SAOU office urgently at saouwk@saou.co.za or **021 914 2441**.

The WCED ensured the SAOU that they are doing everything possible to ensure that all temporary employees receive their salaries at the end of January 2018.
