OPLEIDINGSGELEENTHEID: PROGRAM TER VERRYKING VAN BEGAAFDE LEERDERS

TRAINING SESSION: STRATEGIES TO ACCOMMODATE GIFTED LEARNERS

'n Inklusiewe onderwysstelsel impliseer dat alle leerders se behoeftes op 'n inklusiewe manier in die hoofstroom klaskamer aangespreek word. Ongelukkig plaas Witskrif 6 die klem uitsluitlik op die insluiting van leerders wat leerhindernisse ervaar sonder om die spesiale onderwysbehoefte van begaafde leerders in ag te neem.

An inclusive education system implies that all learners' needs have to be addressed in an inclusive manner, in the mainstream classroom. Unfortunately White Paper 6 focuses solely on the inclusion of learners experiencing barriers to learning without taking the special educational needs of gifted learners into account.

Implementering van Witskrif 6 het meegebring dat alle inisiatiewe om begaafde leerders te akkommodeer, uitgefaseer het. Hierdie kursus fokus uitsluitlik op strategieë om die onderwysbehoefte van begaafde leerders te akkommodeer.

Implementation of White Paper 6 resulted in the phasing out of all initiatives to accommodate gifted learners. This course focuses exclusively on strategies to accommodate gifted learners.

Datum: Woensdag 10 Augustus 2016
Tyd: 14:00 – 17:00
Plek: Steelcrest High School, Middelburg
Koste: Lede: R103
Nie-lete: R153
