

## KIES SÓ DIE REGTE SKOOL

Die blote gedagte dat jou kleuter "groot-skool" of laerskoolkind na die hoërskool toe moet gaan is al vir talle ouers traumaties genoeg. Voeg daarby die onsekerheid rakende keuse van skool en of jou kind gelukkig gaan wees in die skool wat julle kies, en jy het 'n wenresep vir slapelose nagte. Advertensies en kennisgewings van skole se opedae pryk tans teen al wat 'n lampitaal is, elkeen se slagspreuk 'n belofte na die geheime bestanddeel wat die wenresep vir jou kind se toekoms is. Hoe maak jy die regte keuse? Watter kwaliteite behoort ouers na te soek? Hoe soek jy die nommerpas-skool?

## THIS IS HOW ONE GOES ABOUT CHOOSING THE RIGHT SCHOOL FOR YOUR CHILD

The mere fact that their once-little-toddler will have to go to 'big school' is for many parents just one too many in the trauma stakes. Add the, "I'm just not sure I am making the right choice. What if s/he's not happy with the choice I have made...", and you have a winning recipe for hours of restless insomnia. Advertisements and notices currently wave energetically from lamp posts with every slogan claiming to have the winning secret ingredient for your child's totally successful future. How do you make the correct choice? What qualities should parents be looking for? How do you find the 'perfect-fit' school for your child?
