- > CURRICULUM MANAGEMENT
- > STAFF MANAGEMENT
- > RELATIONSHIP MANAGEMENT

The SAOU plans to provide an in-depth training course in Strategic Leadership of Independent Schools during the period **22 – 25 July (3½ days) 2019**.

Emanating from the number of court cases, disciplinary hearings and conflict between School Heads, School Boards and PTA's we are convinced that there is a dire need for a more in-depth training course registered with SACE. The purpose is to provide attendees with in-depth "street wise" knowledge. The cost per member is R2000-00 for the 3½ days that includes the training course material. Each delegate is responsible for his/her own accommodation and travel expenses. SACE points will also be awarded. Please note that the venue can only accommodate 100 attendees.

Who should register:

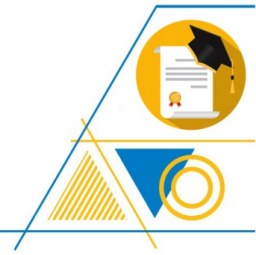

- Heads
- Members of School Management Teams
- Aspirational managers
- Board Members
