BELANGRIKE INLIGTING RAKENDE ONAFHANKLIKE SKOLE

Die SAOU het die afgelope paar maande 'n aantal navrae van onderwysers, rakende onafhanklike skole wat nie by die departement van basiese onderwys geregistreer is nie, ontvang.

Ingevolge die SA Skolewet moet alle onafhanklike skole by die Departement van Basiese Onderwys geregistreer wees voordat hulle mag funksioneer. 'n Skool wat nie geregistreer is nie, is dus nie 'n wettig erkende entiteit nie.

Die SAOU beveel aan dat opvoeders wat aansoek doen om 'n pos by 'n onafhanklike skool moet seker maak dat die skool geregistreer is voordat hulle 'n pos aanvaar.

Dit is ook belangrik om daarop te let dat, indien u bewus is dat 'n skool nie geregistreer is nie, u die saak onmiddellik by die SAOU aanmeld vir opvolg by die Departement van Onderwys.

LAAT JOU STEM HOOR!

Op watter dienste moet die SAOU primêr fokus?

Beste SAOU lid

Die SAOU is 'n onderwysunie toegespits op kwaliteit en relevante dienslewering aan sy lede. Die onderwyssektor is voortdurend besig om te verander en daarom is dit belangrik dat die SAOU se diensleweringmodel daarmee moet tred hou.

Om 'n verbeterde diensleweringmodel aan ons lede te bied, het ons jou mening nodig!

Lede word versoek om die meegaande vraelys te voltooi. Die response op die vraelys sal ons in staat stel om die werklike behoeftes van ons lede noukeurig te kan bepaal. Die vraelys bevat ook oop vrae wat dit moontlik maak vir jou om persoonlike behoeftes, navrae en aanbevelings vir ons uit te lig.

[Klik hier](#) om die vraelys te voltooi

Neem kennis, om 'n verteenwoordigende deelname te verseker, sal die vraelys tot 20 September 2019 beskikbaar wees. Maak dus seker dat jou stem ook getel is!

IMPORTANT INFORMATION REGARDING INDEPENDENT SCHOOLS

Over the past several months the SAOU has had a number of enquiries from educators in regard to Independent Schools that are not registered with the Department of Basic Education.

In terms of the SA School's Act all independent schools are required to be fully registered with the Department of Basic Education before they are permitted to function. A school that is not registered is thus not a legally recognised entity.

The SAOU recommends that educators applying for a post at an independent school should ensure that the school is properly registered before accepting a position to teach at the chosen school.

It is also important to note that should you be aware that a school is not registered, that you report the matter to the SAOU immediately for follow-up with the Department of Education.

MAKE YOUR VOICE HEARD!

On which services must the SAOU primarily focus?

Dear SAOU member

The SAOU is a teachers' union dedicated to quality and relevant service delivery to all our members. The education sector is continuously evolving and therefore it is important for the SAOU to stay abreast of the latest needs of members.

In order to provide an improved service delivery model to our members, we need your opinion!

Members are requested to complete the questionnaire below. The responses to the questionnaire will enable us to accurately determine the genuine needs of our members. The questionnaire also comprises open-ended questions that will enable you to record your needs, enquiries and recommendations.

[Click here](#) to complete the questionnaire

Note that in order to ensure a representative participation, the questionnaire will remain open until 20 September 2019.
