Beste SAOU lede

Soos die einde van die jaar met ‘n spoed naderkom, wil ons graag van hierdie geleentheid gebruik maak om elkeen van jul te bedank vir jul ondersteuning van die POD sowel as SAOU.

Nie net het SAOU POD ‘n suksesvolle *Roadshow* in elke provinsie aangebied nie, maar ook 150+ ander opleidingsessies. Ons het selfs ‘n draai in Finland gemaak! Ons het die jaar se opleiding baie geniet – baie dankie aan elke opvoeder wat ons opleidingsessies bygewoon het! Ons het al die voorstelle van behoeftes vir toekomstige bemagtigingsessies deurgewerk en ons glo dat 2019 se SAOU opleiding nog meer relevant sal wees. Laat hoor gerus van julle indien daar enige navrae rakende kurrikulum of onderrig is.

2019

2019 gaan ‘n GROOT jaar in SAOU wees met talle nuwe inisiatiewe! Kennisbou is terug met meer vakke, lesbeplannings en werkkaarte. Simposia word in verskeie provinsies beplan en die Handleiding vir Skoolbestuur gaan ‘n splinternuwe baadjie aantrek met ‘n nuwe hoofstuk totaal toegewy aan die ondersteuning van opvoeders! Interns by skole hoef nie afgeskeep te voel nie, SAOU gaan gedurende 2019 ‘n internskapprogram met gefokusde ondersteuning aan interns bied. ‘n Internasionale studietoer en aanlyn-/elekroniese opleiding is deel van ons

Dear SAOU members,

As the end of the year is fast approaching, we would like to use this opportunity to thank each of you for your support of the PDS as well as the SAOU.

Not only did SAOU PDS deliver a successful Roadshow in each province but also presented 150+ other training sessions, while also visiting Finland! We have enjoyed this year’s training – thank you to every educator who attended our training sessions! We have worked through all the suggestions for future training sessions and believe that the SAOU’s training will be even more relevant in 2019. Please let us know should you have any enquiries regarding curriculum or teaching.

2019

With several new initiatives, 2019 is going to be a BIG year for the SAOU! Knowledge Builder is back with more subjects, lesson plans and work sheets. Symposia are being planned for several provinces and the Manual for School Management will be adding new material with a whole chapter dedicated to supporting educators! Interns at schools should not feel left out as the SAOU will be offering an internship program with focused support for interns during 2019. An international study tour and online training form part of our

opwindende planne – net weereens ‘n bewys dat ons graag na lede se behoeftes luister. Die opleidingskalender vir 2019 is reeds stampvol en ons hoop om elkeen van jul by ons opleiding te sien. Hou gerus ons opleidingskalender en nuusbriewe dop vir meer inligting en datums - die provinsiale en nasionale opleidingsprogram word binnekort geplaas. Geseënde Feestyd en mag 2019 ons almal bederf! Alles van die beste! Die POD-span	exciting plans – further proof that we listen to the needs of our members. The training calendar for 2019 is already filled to the brim and we hope to see each of you next year. Keep an eye on our training calendar and newsletters for more information and dates – the provincial and national training calendar will be published soon. We wish you a blessed festive season and may 2019 spoil us all! The PDS team
