

HEROPEN VAN SKOLE - 2017

Daar heers tans groot verwarring aangaande die datum waarop skole in Januarie 2017 heropen. Die SAOU dagboek dui verkeedelik aan dat skole op 18 Januarie 2017 heropen. Neem asseblief kennis dat KZN skole op **9 Januarie 2017 vir onderwysers** sal heropen en op **11 Januarie 2017 vir leerders**. Ons vra om verskoning vir die drukfout maar dit blyk dat die drukkersduiwel weer aan die werk was!

RE-OPENING OF SCHOOLS - 2017

There is currently great confusion regarding the re-opening of schools for 2017. The SAOU diary indicates that schools will only open on 18 January 2017. Please note that this information is incorrect. KZN schools will re-open on **9 January 2017 for educators** and **11 January 2017 for learners**. We apologise for the misprint of the date.
