Op watter dienste moet die SAOU primêr fokus?

Beste SAOU lid

Die SAOU is 'n onderwysunie toegespits op kwaliteit en relevante dienslewering aan sy lede. Die onderwyssektor is voortdurend besig om te verander en daarom is dit belangrik dat die SAOU se diensleweringmodel daarmee moet tred hou.

Om 'n verbeterde diensleweringmodel aan ons lede te bied, het ons jou mening nodig!

Lede word versoek om die meegaande vraelys te voltooi. Die response op die vraelys sal ons in staat stel om die werklike behoeftes van ons lede noukeurig te kan bepaal. Die vraelys bevat ook oop vrae wat dit moontlik maak vir u om persoonlike behoeftes, navrae en aanbevelings vir ons uit te lig.

On which services must the SAOU primarily focus?

Dear SAOU member

The SAOU is a teacher's union dedicated to quality and relevant service delivery to all our members. The education sector is continuously evolving and therefore it is important for the SAOU to stay abreast with the latest needs of members.

In order to provide an improved service delivery model to our members, we need your opinion!

Members are requested to complete the questionnaire here below. The responses to the questionnaire will enable us to accurately determine the genuine needs of our members. The questionnaire also comprises open-ended questions that will enable you to record your needs, enquiries and recommendations.
