SALARISONDERHANDELINGE 2018 / SALARY NEGOTIATIONS 2018

HUIDIGE STAND VAN ONDERHANDELINGE

CURRENT STATE OF NEGOTIATIONS

Dit het onder die SAOU se aandag gekom dat 'n SMS die rondte gedoen het waarin aangedui is dat 'n ooreenkoms reeds mbt salarisonderhandelinge met die Staat bereik is. Lede word versoek om hierdie "fop-nuus" te ignoreer.

Sedert Nuusbrieff 03/2018 ([klik hier](#)) was daar geen vordering mbt salarisonderhandelinge nie as gevolg van die veranderinge in die Kabinet deur die nuut aangestelde Staatspresident waar onder andere 'n nuwe Minister vir DPSA en Minister van Finansies aangestel is.

'n Volgende rondte van salarisonderhandelinge is geskeduleer vir 22 Maart 2018. Lede sal op hoogte gehou word van enige verwickelinge in die verband.

It has come to the attention of the SAOU that an SMS has done the rounds, claiming that an agreement in regard to salary negotiations with the State has been reached. Members are requested to ignore this "fake" news.

Since Newsletter 03/2018 ([click here](#)) there has been no progress regarding salary negotiations due to the Cabinet changes made by the newly appointed State President who appointed a new Minister of DPSA as well as a new Finance Minister.

The next round of salary negotiations has been scheduled for 22 March 2018. Members will be kept informed of any developments in this regard.
