

World Teacher's Day!

Teachers spend more time with our children than we do. They are important figures in a child's life and a role model. A good teacher is worth their weight in gold! SAOU NC would like to thank all the teachers for the hard work, dedication, support and encouragement that they give our children on a daily basis.

*I have come to believe that a great teacher is a great artist and that there are as few as there are any other great artists. It might even be the greatest of the arts since the medium is the human mind and spirit.”
John Steinbeck*
