Nuusbrief 34 van 2017
13 Oktober 2017

1. BEMAGTIGING

Graag herinner ons aan die bematigingsessie van eerskomende **Donderdag, 19 Oktober 2017, by Elizabeth Conradie**.

Registrasie begin om 14:30 en die 2 ure sessie begin 15:00.

Ons Professionele Ondersteuningsdiens hanteer die onderwerp: LEERLINGE MET UITDAGENDE GEDRAG en daarna sal ons Regsdienste 'n bespreking hou oor die REGTE VAN OPVOEDERS te midde van leerlinge met uitdagende gedrag.

1. EMPOWERMENT

*Please receive a final reminder of our empowerment session of **Thursday, 19 October 2017 at Elizabeth Conradie** Special School.*

Registration will start at 14:30 and the 2 hour session will start at 15:00.

The SAOU Professional Support Service will deal with the thorny issue of learners with challenging behaviour, where after our Legal Services will provide you with expert advice regarding your rights in such confrontations.

2. OMSKAKELINGS

Die lang-verwagte omsendbrief (Circ 54 / 2017) het op die NKOD se HRMS-stelsel verskyn (Woensdag, 11 Oktober 2017) en ons wil skoolhoofde en beheerliggame aanmoedig om onverwyld daaraan aandag te skenk

Die SAOU vestig graag u aandag op paragraaf 8.4 van die voormelde omsendbrief. Let asseblief daarop dat omskakelings – soos vervat en omskryf in die omsendbrief – voortaan 'n aaneenlopende proses sal wees.

2. CONVERSIONS

The long awaited NCDOE circular (No 54 / 2017) has been posted on the HRMS system on Wednesday, 11 October 2017.

We kindly refer you to paragraph 8.4 of the aforementioned circular and would like to point out that conversions will be an on-going process.

3. AANSOEK VIR SPESIALE ONDERRIG

Die SAOU wys graag daarop dat skole wat leerders vir spesiale onderrig na 'n spesiale skool, soos bv. NJ Heyns – wil verwys, onverwyld met die ESS-afdeling van die NKOD moet kontak maak vir sodanige verwysings. Ons ondervinding is dat skole dikwels tot (te) laat wag om leerlinge te verwys, wat uiteindelik tot nadeel van die leerling kan wees.

3. APPLICATION FOR SPECIAL NEEDS EDUCATION

The SAOU would like to point out that schools should make an effort to contact the ESS section of the NCDOE if you would like to refer pupils for special needs education for 2018.
We find that schools tend to wait too long to submit such applications to the detriment of the pupil (-s) concerned.

4. LEDETAL Uit nasionale tendense is dit duidelik dat die SAOU die unie is om aan te behoort! Ons staaf hierdie stelling met die feitedat al die ander nasionale unies se ledetal beslis afneem, MAAR die SAOU se ledesyfers neem toe. In so 'n mate dat ons nasionale ledesyfer van 36 801 tans die hoogste is wat dit nog was. Verdere goeie nuus is dat die SAOU Noord-Kaap se ledetal ook die hoogste is in die geskiedenis, t.w. 1913. **Ons is opreg dankbaar vir elke lid se getroue ondersteuning en die vertroue wat u in ons stel.**	***4. MEMBER NUMBERS*** *Looking at national trends, it is clear that the SAOU should be the union of choice. While all other unions show a definite decline in member numbers, the SAOU member numbers are still steadily increasing!* *We are very proud to announce that the SAOU national member numbers are currently at the highest it has ever been on 36 801. Further good news is that SAOU Northern Cape has also reached an all-time high of 1913 members.* ***A big thank you for tour loyal support and we pledge to represent you with pride, dignity and excellence!***

Vriendelike groete / Kind regards
