20ste "NTA" van 2019

Die SAOU salueer alle skole en opvoeders wat deel van die afgelope 19 jaar se Nasionale Onderwystoekennings **("NTA")** was. Die "NTA"-skema is gekonseptualiseer en uitgerol in die jaar 2000 en is ons nou in die ***twintigste jaar*** van implementering. Die "NTA" is verfyn, verbeter en verbreed oor die jare in terme van sy raamwerk en kategorieë.

SAOU as 'n belanghebbende verwelkom al ons lede tot die 20ste uitgawe van die "NTA".

Die "NTA"-skema is een van die wyses waarop die Departement van Basiese Onderwys erkenning gee aan uitstekende opvoeders vir hul buitengewone pogings, dikwels in baie moeilike omstandighede.

Deelnemende opvoeders bied 'n beter toekoms vir alle leerders, want gebrek aan gehalte-onderwys is 'n belangrike faktor in baie sosiale, politieke, ekonomiese en gesondheidsuitdagings wat die wêreld vandag in die gesig staar. Bydraende faktore soos armoede,

20th NTA of 2019

The SAOU salutes all schools and educators who have been part of the past 19 years of the National Teaching Awards **(NTA)**. The NTA Scheme was conceptualised and launched in 2000 and now enters its ***twentieth year*** of implementation. The NTA has been refined, sharpened, as well as broadened over the years in terms of its frame and categories.

SAOU as a stakeholder welcomes all our members to the 20th edition of the NTA.

The NTA scheme is one of the ways in which the Department of Basic Education acknowledges, the extraordinary efforts made by excellent educators, often in very difficult conditions.

Participating educators provide a better future for all learners, because lack of quality education is a major factor behind many social, political, economic and health challenges faced by the world today. Contributing factors like poverty, prejudice and conflict should be fought on all

vooroordeeldheid en konflik moet op alle vlakke beveg word en die deelname aan die "NTA" laat opvoeders deel wees van hierdie groot oplossing.

Om die 20ste verjaardag van die "NTA" te beklemtoon, het die DBO die projek uitgebrei deur die ***Afrika-Unie (AU)*** en die ***Globale Onderwyserprys (GOP)*** kriteria in te sluit. In die toekoms sal die "NTA"-wenners deelneem aan die AU- en GOP-toekennings.

Verder ontvang wenners ook uitsonderlike pryse en verbreed die "NTA" die opvoeder se ervaring met betrekking tot hul eie professionele groei en vermoëns. SAOU is 'n trotse ondersteuner van die "NTA" en kan ons lede se suksesse deur die afgelope jare se kompetisies as bewyse van hierdie feit beskou word.

SAOU versoek alle lede om deel te neem aan vanjaar se "NTA"-kompetisie. Ons glo sterk dat die grondslag van die Suid-Afrikaanse onderwys gevestig is in ons Unie-lede.

Maak ons weer trots!

levels and do the participation of the NTA allow Educators to be part of this great solution.

To mark the 20th anniversary of the NTA the DBE has expanded the Project by including the ***African Union (AU)*** and the ***Global Teacher Prize (GTP)*** criteria. In future the NTA winners will participate in the AU and GTP awards.

Furthermore, do winners also receive extravagant prices and does the NTA broaden the educator's experience regarding their own professional growth and abilities. SAOU is a proud supporter of the NTA and can our members successes through the past campaigns be seen as proof of this fact.

SAOU urge all members to take part in this year's NTA competition. We strongly believe that the foundation of the South African education is vested in our Union members.

Make us proud again!
