SAOU VRYSTAAT OPLEIDINGSGELEENTHEID

-Oktober 2017-

"Discipline in die Klaskamer"

Alle SAOU lede in die Vrystaat word hartlik uitgenooi na die volgende opleidingsgeleentehede.

In talle gevalle word ons lede aangekla rondom ernstige klagtes in verband met die wanbestuur van dissipline in die klaskamer wat lei tot die klagtes en aksies teen die lede. SAOU Vrystaat sien hierdie klagtes as baie ernstig en het ons dit goedgedink om ons lede in te lig rondom die regte optrede t.o.v. die aangeleentheid.

Alle opvoeders (*lede en nie-lede*) sal die opleidingsgeleentheid baie sinvol ervaar.

Daar sal onder andere gefokus word op die moets en moenies t.o.v. klaskamerdissipline, asook die dissiplinêre prosesse wat gevolg behoort te word.

Omrede die aanklagte gewoonlik kan lei tot afdanking / ontslag van ons lede, sien ons die opleiding as van kardinale belang vir alle belanghebbendes.

- Die opleidingsgeleentehede sal by **5 verskillende skole** aangebied word.
- Dui asb. duidelik aan by watter **skool** u die geleentheid gaan bywoon.

SAOU FREE STATE TRAINING SESSION

-October 2017-

"Discipline in the Classroom"

All SAOU members in the Free State are invited to the following training sessions.

Our members are being charged in many cases with serious charges regarding discipline in the classroom or malpractices that take place. SAOU Free State regard these as serious matters and decided to inform members on how to follow the correct procedures.

All educators (**members & non-members**) will find this training meaningful.

The focus will be on the do's and don'ts regarding the classroom discipline, as well as the disciplinary processes that are usually involved.

This training is very important for all interested parties, because these charges usually result in dismissal of our members.

- The training sessions will be presented at **5 different schools**.
- Please indicate at which **school** you will attend the training session.
