SOSIALE MEDIA:

"My vriend Internet en sy monster broer, Sosiale Media!"

Is sosiale media 'n goeie of 'n slegte ding? Dit is die vraag op almal se lippe. Wel, daar is altyd twee kante van elke saak. Dit hang af van jou perspektief en hoe jy dit sou waarneem. Dieselfde beginsel geld ook vir sosiale media! Die meeste mense bewonder dit as 'n revolusionêre uitvinding en vir sommige is dit 'n monster wat die samelewing gaan verwoes!

Sluit by ons aan vir 'n opleidingsessie waar daar gekyk sal word na die veilige gebruik van die Internet, 'n gepaste Internetbeleid vir elke skool, asook die gebruik van Sosiale Media (FB, WhatsApp, Twitter, ens.) Die Moets-en-moenies!

Alle Onderwysers is welkom!

SOCIAL MEDIA:

"My friend Internet and his monster brother, Social Media!"

Is social media a good or a bad thing? This is a frequently asked question. Well, there are always two sides to look at. It depends on your perspective and how you would perceive it. The same principle also applies to social media! Most people admire it as a revolutionary invention and some experience it as a monster to destroy society!

Join us for an empowerment session where we will be sharing practical ideas on the safe use of the Internet, Internet policies and the use of Social Media (FB, WhatsApp, Twitter, etc.) Do's and don'ts!

All Educators are welcome!
