SAOU VRYSTAAT OPLEIDINGSGELEENTHEID

-11 Oktober 2017-

**“Ek kan is 100 keer meer belangrik
as my IQ”**

Na aanleiding van ons rekords *het u geregistreer en reeds betaal vir die SAOU POD Opleidingsgeleentheid wat vroeër die jaar moes plaasvind maar a.g.v. die afsterwe van Mev. Maresa Viljoen se vader kon dit nie plaasvind nie.*

Graag wil ons u herinner dat die Opleidingsgeleentheid wel op **11 Oktober 2017 van 14:00 tot 17:00, te Vaalpark PS** sal plaasvind.

Hierdie opleiding vra 'n paradigmaskuif rakende die onderwysberoep se siening van prestasie, sukses en onderwysers se ingesteldheid.

Die inligting spreek leierskap aan, nie net m.b.t. skoolhoofde en skoolbestuurspanne nie, maar sal ook vir lede van die Beheerliggaam en alle onderwyspersoneel van onskatbare waarde wees omrede werksetiek, professionaliteit in die onderwys, sosiale interaksie tussen personeel, waarde van tydsbestuur en erkenning aan personeel pertinent aangespreek word.

SAOU FREE STATE TRAINING SESSION

-11 October 2017-

**“I can is 100 times more
important that IQ”**

According to our records, *you have registered and already paid for the SAOU PDS Training Session that should have taken place earlier this year but due to the passing of Mrs. Maresa Viljoen's father could not.*

We would like to remind you that the Training Event will take place on **11 October 2017 from 14:00 to 17:00 at Vaalpark PS.**

This training requires a paradigm shift regarding the view of performance, success and the attitude of educators in the teaching profession.

The information will address leadership in regard to principals and school management teams, but will also be valuable to School Governing Body educators and all teaching staff. Work ethics, professionalism in education, social interaction between staff members, the value of time management and acknowledgement of personnel will be addressed.

Seeking the X-factors that guarantee success in primary schools, placed the focus on professional actions and focused leadership of the principal/school management.

The following aspects will be addressed during the empowerment:

- Acknowledgement within school structures and the influence of mutual trust, loyalty, work ethics and a positive behavioural culture
- The role of parents, the community and the School Governing Body
- Ownership – I WANT to work here versus I MUST work here
- Succession planning, expanded leadership structures and staff development
- Mentorship and internship programmes
- Think out of the box! Class divisions and homework
- Discipline and values

TYD / TIME: 14:00 – 15:00 Registrasie / Registration
