Dear Colleagues

Please note the above dates for an afternoon workshop on Contemporary Classroom Practice especially designed for independent schools.

The workshop will focus on current best practice and while it will touch on a few new concepts and technologies – blended learning, flipped classrooms, e-learning, the 4<sup>th</sup> Industrial Revolution - the emphasis will be on using what you and your learners already have and ensuring that it leads to effective teaching and learning.

More specific details regarding the workshop, costs and registration will be sent closer to the date reserved for your province.

Beste Kollegas

Neem asseblief kennis van werksinkels oor Kontemporêre Klaskamerpraktyk vir onafhanklike skole wat op bogenoemde datums plaasvind.

Die sessies sal fokus op huidige beste praktyk en daar sal gekyk word na nuwe konsepte en tegnologieë soos “blended learning”, “flipped classrooms”, e-leer en die sogenaamde 4de Revolusie. Die klem sal egter wees op wat jy en jou leerders reeds tot julle beskikking het en om te verseker dat dit tot meer effektiewe onderrig en leer lei.

Meer inligting rakende die werksinkel, kostes en registrasie sal nader aan die datum wat vir u provinsie gereserveer is, versend word.
